

MSR-Italy Srl
Via per Cuggiono n. 7 | 20022 Castano Primo (MI) | Italia

We are hiring a Technical Sales

We are the Italian subsidiary of the German multinational company MSR-Electronic GmbH, manufacturer of fixed gas detection systems, operating in the B2B security sector – www.msr-electronic.de
For organic expansion, for the purposes of Business Development & Customer Support, we seek:

TECHNICAL SALES

Main tasks:

- prepare commercial offers;
- manage the customers portfolio independently;
- provide technical advice to potential buyers;
- implement sales and expand customers portfolio;
- after sales follow-up.

Required:

- preferably previous experience in the role and coming from the same or similar sector;
- preferably degree in Engineering or technical diploma;
- reliability;
- customer oriented;
- availability for travel and overnight stays;
- fluent level of written and spoken English to interface with the parent company.

It is offered:

- employment contract directly with the company, CCNL Metalmeccanico, full time and permanent contract with 6 months, probation period;
- laptop and cell phone; plus company car after the probation period;
- training and support in the initial phase.

Place of work: Castano Primo (MI)

The offers are addressed to both sex candidates (L. 903 / 77).

Candidates are invited to read the Privacy Policy as per UE regulation n. 2016/679
